Go Green Downtown!

Antique Stores

Purchasing antiques is both an eco-friendly and relatively inexpensive way to decorate with materials that might normally be thrown away

The Frame Gallery

Take part in an art project with recycled materials. Or, paint a ceramic bowl to be donated to the Empty Bowls fundraiser for the Brazos Valley Food Bank

Brazos Glassworks

Stop by and make a cheese tray from recycled glass bottles

Burr's Unfinished Furniture

Purchase real and reclaimed wood furniture (No toxic chemicals here!)

Caffe' Capri

Have dinner at a restaurant that uses environmentally sound practices, such as:

- Recycling 100% of their cardboard boxes
- Recycling all brown and clear glass (wine/beer bottles)
- Using takeout containers made from corn product which biodegrade in 30 days
- Not using ANY foam containers
- Installing energy star "swirl" lightbulbs wherever possible

The Maroon Bike Project:

Texas A&M University's "Maroon Bike Project" is encouraging the public to travel downtown using alternative forms of transportation. Join them by meeting at the Northgate Promenade at 5 p.m. on October 3rd. The three most creative forms of transportation will be recognized. Sponsored by The TAMU Association for Social Entrepreneurship. For more information on the ride, visit: www.ilovepeople.org

"First Fridays are made possible in part through the City of Bryan and through Hotel Tax Revenue funded from the City of College Station through the Arts Council of Brazos Valley."
